

Political Boundaries Worksheet

Name _____

Date _____

Class _____

Instructions

Review the “The Potomac River Watershed: County & State Boundaries” map and ask your teacher to clarify any questions you have. Make sure that you understand all of the features of the map and pay special attention to the key. Follow the instructions below and answer all questions in complete sentences.

- Trace the Potomac River watershed boundary with a red crayon.
- Lightly color each state a different color, as follows:
 - Maryland: Purple
 - Pennsylvania: Yellow
 - Virginia: Blue
 - Washington, D.C.: Pink
 - West Virginia: Green
- Place a star where you live.

Using the map, answer the following questions in complete sentences.

1. Which state or district encompasses the greatest percentage of area within the Potomac River **watershed**? _

2. In what county do you live? _____

3. How many states are in the Potomac River watershed? How many counties? _____
