

Testimonial Submission

The Potomac Conservancy wants to hear about your *Growing Native* seed collection experience! Share your experience with others across the region by telling us what you thought.

Consider telling us about the following:

- How did the *Growing Native* seed collection activity strengthen your curriculum?
- What did you and your students learn while collecting seeds?
- Why should other people in the community collect seeds?

Please provide us with complete information below, and include your testimonial on the back of this page or in a separate document. As part of your curriculum, you may also encourage your students to submit their own testimonials.

Please indicate below the ways in which we may use your testimonial:

- You may print my testimonial verbatim in communications pieces.
- You may share my testimonial with the media.
- You may contact me regarding possible opportunities to speak to the media.

Thank you for sharing your experience with us. We hope that you participate in *Growing Native* again next year!
